2 pessoas necessárias para montar o produto

grau de dificuldade médio

Não utilizar produtos químicos, tais como álcool, removedor e produtos de limpeza multiuso, pois poderão ressecar e danificar o material.

Evitar exposição prolongada ao sol; sujeito à variação de tonalidade do couro. Necessário a hidratação periódica.

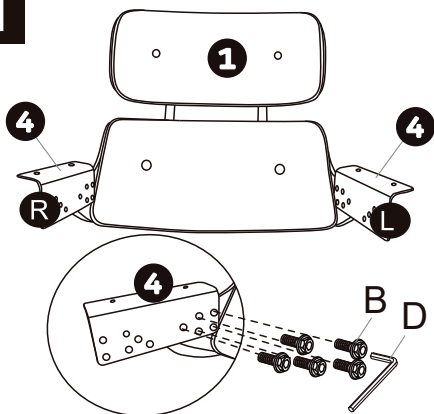

Limpar, suavemente, com pano branco e macio, umedecido com água. Secar em seguida.

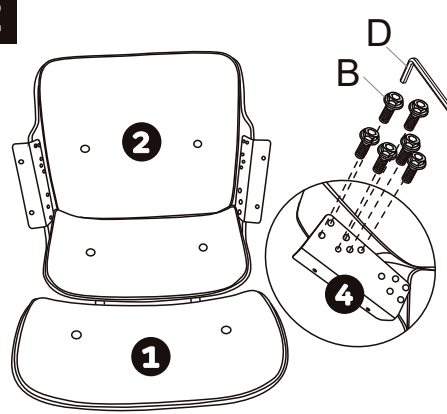

seguir a marcação:
L- braço lado esquerdo
